NAVY HAS NO OBJECTION TO DECLASSIFICATION AND RELEASE.

Col. Lawrence K. White
Central Intelligence Agency
Washington 25, D. C.

NAVY review(s) completed.

My dear Col. White:

In conjunction with a Navy-wide conference of publications and printing officers and other personnel to be held during the week of 13-17 May 1957, the Administrative Office, Navy Department, will sponsor a graphic arts exhibit at the Navy Department Service Center, 8th and South Court House Road, Arlington, Virginia, from 9:30 AM to 4:30 PM daily.

You and your staff are cordially invited to attend this exhibit as guests of the Navy because of the interest we believe you have in the field of graphic arts. Acceptance by over fifty of the leading manufacturers and suppliers in the industry promises a worthwhile and most interesting exhibit of the latest equipment and systems available to the Government.

A supply of passes is enclosed which will admit you and your staff to the exhibit and to the north parking area of the Service Center. Additional passes, if needed, may be obtained by calling the Publications Division, Administrative Office, Navy Department, on Code 131, extension 65462.

We hope to welcome you aboard the week of 13 May.

Sincerely yours,

A handwritten signature in cursive script, reading "A. N. Spence", is written over the typed name and title.
